

Poster Session

Restoration of Native Ecosystems for Wildlife (RENEW)

D. B. Ray

Artificial Roosting Structures for Bats in the Forested Piedmont and Mountainous Regions of South Carolina

G. M. Peters, M. S. Garner, D. B. Ray, and D. A. R. Taylor

Getting Back to Native: Brook Trout Restoration in the Sumter National Forest

M. S. Garner, J. D. Riley, and D. M. Rankin

Impacts of Canebrake Restoration on Wildlife Species Diversity

M. S. Garner, G. M. Peters, and D. B. Ray

Abundance and Distribution of Freshwater Mussels on Fort Stewart Military Installation, Georgia, USA

K. E. Sukkestad

SCDNR Research and Development Programs at the Waddell Mariculture Center

A. D. Stokes and C. M. Bruce

Cryopreservation of Male Gametes in *Litopenaeus vannamei*

J. W. Bruce, H. L. Atwood, and C. L. Browdy

Intensive Zero-exchange Shrimp Production Systems—Incorporation of Filtration Technologies to Improve Survival and Growth

H. L. Atwood, J. W. Bruce, L. M. Pierrard, R. A. Kegl, A. D. Stokes, and C. L. Browdy

Comparison of Organic and Commercial Shrimp Diets for Pond Shrimp Production at Different Stocking Densities

J. R. Richardson, H. L. Atwood, and A. D. Stokes

The Use of Greenhouse-enclosed Raceway Systems for the Super-intensive Production of Pacific White Shrimp, *Litopenaeus vannamei*

B. J. McAbee, H. L. Atwood, J. W. Bruce, A. D. Stokes, and C. L. Browdy

Waddell Mariculture Research and Development Center

A. D. Stokes and H. L. Atwood

Results of a Region-wide Turtle Census in Western Kentucky

H. Venter and E. Zimmerer

Florida-networking with Partners to Promote Freshwater Fishing Participation, Funding, and Stewardship

B. Wattendorf and D. Renfro

Chronic Wasting Disease Surveillance in Kentucky

W. Carlisle, J. Day, D. Yancy, C. Logsdon, D. Crank, and A. Shoen

Movements and Habitat use of Shortnose Sturgeon (*Acipenser brevirostrum*) in the Winyah Bay System, SC

W. C. Post, M. R. Collins, and A. P. Hazel

Exploitation of Nile Tilapia in a Closed System, Public Fishing Reservoir in Northern Arkansas

S. D. Henry, S. W. Barkley, and R. L. Johnson

Use of Propagated Shortnose Sturgeon as Surrogates for Wild Fish in Development of Biological Assessment Techniques

M. R. Collins, V. A. Mudrak, T. I. J. Smith, K. Ware, and R. Bakal

Effectiveness of DNA Sampling to Monitor Black Bear Abundance in the Southern Appalachians

K. E. Settlage, F. T. Van Manen, J. D. Clark, D. Gregory, M. D. Jones, S. Still, G. Peters, and B. Stiver

Potential Effects of Reintroduced Elk on Bird Communities in Eastern Kentucky

E. Ciuzio, D. Maehr, J. Gasset, and M. Lacki

The Nature, Occurrence, and Frequency of Nuisance Elk Complaints in Eastern Kentucky

K. J. Alexy, J. R. Davis, C. E. Logsdon, R. D. Crank, D. C. Guynn, and J. Day

Winter Habitat Used by Fishes of the Ohio River

B. J. Braeutigam, J. E. Garvey, A. T. Plauck, and K. A. Emme

Effects of Acclimation Time and Season on Post-stocking Mortality of Red Drum in Fresh Water

M. S. Baird

SC's Model for Red Drum Management: Monitor, Regulate, and Explore a Non-traditional Approach

T. I. J. Smith, W. E. Jenkins, M. R. Denson, C. Wenner, G. F. Ulrich, C. Bridgham, A. D. Stokes, L. D. Heyward, R. J. Rhodes, and K. R. Houston

Prescribe Fire and Wildlife Habitat Improvement Stewardship Contract: A Partnership in Natural Resource Conservation

E. T. LeMaster, D. B. Ray, S. Lohr, J. Dent, S. E. Wells, and R. Abernethy

Georgia's Bobwhite Quail Initiative: Results from Four Years of Program Implementation

C. Baumann, R. Thackston, B. Bond, J. Bornhoeft, A. Hammond, B. Marchinton, and I. B. Parnell

Longline Monitoring of Adult Finfish in the Texas Territorial Sea

T. Wagner

Sex Ratio Variation in a Red-cockaded Woodpecker Population Following a Catastrophic Hurricane

S. Lohr, L. Wood, F. Sanders, and D. Liao

Atlantic White-cedar Swamps: Disappearing Blackwater Treasures

J. Stowe, E. Hinesley, M. Wicker, J. Dozier, and J. Sizemore

Cooperative Black Bear Management Enhancement Activities of the South Carolina Department of Natural Resources

S. Still, Jr., S. W. Stokes, Sr., G. M. Peters, and M. S. Garner

Habitat Use by Bobcats in a Longleaf Pine Forest Managed for Northern Bobwhite

J. Doughty, J. C. Cochrane, I. A. Godbois, L. M. Conner, and R. J. Warren

Spatial and Temporal Patterns of Feral Swine (*Sus scrofa*) Impacts in a Coastal Bottomland Stream

M. D. Kaller and W. E. Kelso

Wildlife and Industry Together (W.A.I.T.)

S. Still, A. Viney, J. Garton, and W. Griffin

Long and Short Term Movement Patterns of Red Drum in North Carolina and Virginia Waters Using Tag-recapture Data

J. A. Lucy, and L. M. Paramore

Nest Selection of *Glaucomys sabrinus fuscus* in West Virginia

T. M. Terry, J. W. Edwards, W. M. Ford, J. M. Menzel, and
C. W. Stihler
