

# Poster Session

## Getting Back To Native: Brook Trout Restoration in the Sumter National Forest

Mark S. Garner and Jeanne D. Riley, *USDA - Forest Service*  
Dan M. Rankin, *South Carolina Department of Natural Resources*

---

## Availability of Gulf Sturgeon Spawning Habitat in Northwest Florida and Southeast Alabama River Systems

Frank M. Parauka, *U.S. Fish and Wildlife Service*  
Michele Giorgianni, *Student Conservation Association*

---

## Monitoring and Assessing Threats to the Okaloosa Darter, *Etheostoma okalosae*, on Eglin AFB

Jeffrey Herod, *U.S. Fish and Wildlife Service*  
Steve Laine, *Science Applications International Corporation*

---

## Developing Assessment Tools for Adaptive Management of Lotic Systems on Eglin AFB; Partnering to Reach Goals of Integrated Natural Resources Management

Jeffrey Herod and Theresa Thom, *U.S. Fish and Wildlife Service*

---

## Mussel Sampling Site Geographic Information Systems Database

Wendy Gierhard and Holly N. Blalock-Herod, *U.S. Fish and Wildlife Service*

## **Diagnosis of Largemouth Bass Virus Disease**

John M. Grizzle and Cindy J. Brunner, *Auburn University*

---

## **The Bobwhite Quail Initiative: Helping Georgia Land Managers Restore Bobwhite Habitat While Improving the Environment**

Chris Baumann, Bobby Bond, Joy Bornhoeft, Adam Hammond, Buck Marchinton, I. B. Parnell, and Reggie Thackston, *Georgia Department of Natural Resources*

John Carroll, Richard Hamrick, and Jeffrey Thompson, *University of Georgia*

---

## **A Comparison of Ground-based Thermal Infrared Imaging with Spotlight Counts of White-tailed Deer**

Erin E. McCammon, Philip A. Tappe, and Robert E. Kissell, Jr., *University of Arkansas*

---

## **Winter Relative Abundance and Habitat Characteristics of Swamp Rabbits (*Sylvilagus aquaticus*) in the Mississippi Alluvial Plain of Eastern Arkansas**

Allison Fowler and Robert E. Kissell, J., *University of Arkansas*

---

## **Bobcat Den Ecology in Southwestern Georgia**

Jessica C. Cochran and L. Mike Conner, *Joseph W. Jones Ecological Research Center*

Robert J. Warren, *University of Georgia*

---

**A Multivariate Analysis of Broad-scale Factors that Contribute to Deer-vehicle Collisions in Arkansas**

Michael C. Farrell and Philip A. Tappe, *University of Arkansas*

---

**Salamanders from Outer Space: Using Satellite Imagery and a Geographical Information System to Locate Potential Flatwoods Salamander Habitat**

Lora L. Smith, L. Mike Conner, Micah Perkins, Chris Borg, and Ivy Godbois, *Joseph W. Jones Ecological Research Center*

---

**Assessing the Landscape-level Impacts of Red-imported Fire Ants on Native Faunal Communities in Pine-dominated Landscapes**

Keri E. Landry, Michael J. Chamberlains, and Linda M. Hopper-Bui, *Louisiana State University*
