

Poster Session

An Angler Diary Assessment of the Flathead Catfish Fishery in the Yadkin-Pee Dee River System in North Carolina

Marla Chambers

A Discussion of Biological Integrity in Evaluating the Impacts of Urban Development and Changes in Land Use

William I. Lutterschmidt, Daniel S. Millican, Brian Deal

Effects of Changes in Minimum Flow and Type of Release on Fish Community Structure in the Ouachita River, Arkansas

Shawn H. Sanders, John Jackson, Edmund R. Buckner

Assessing Florida Largemouth Bass Introgression in Texas Reservoirs: Efficient Sampling from Observing Spatial Heterogeneity

Robert K. Betsill, J. Warren Schlechte, David L. Buckmeirer

Determining Effective and Efficient Stocking Rates for Largemouth Bass

David L. Buckmeirer, J. Warren Schlechte, Robert K. Betsill

Fish Passage in Maryland

Jim Thompson

Status of American Eel Resource Management in U.S. Atlantic Coastal States

Julie A. Weeder, Laura M. Lee

Officer Snook Water Pollution Program

Jennifer Sevin, Linda Reid

Winter bird Community Responses to Fuel Reduction Treatments in the Upper Piedmont of South Carolina

L. A. Zebehazy, J. D. Lanham

Texas Master Naturalist Program Assessment: Changes in Volunteer Knowledge and Attitudes as a Result of Training

L. A. Bonneau, M. H. Legg, R. L. Darville, M. H. Haggerty

Mississippi Gopher Frog Recovery Efforts

R. Smith, D. Tyrone

Case Report: Great Blue Heron Morbidity and Mortality Investigation in Maryland's Chesapeake Bay

C. P. Driscoll, P. M. McGowan, E. A. Miller

Impacts of Canebrake Restoration on Wildlife Species Diversity

M. S. Garner, G. M. Peters, D. B. Ray

A Model for Developing Forest Management on a National Wildlife Refuge

J. M. Morton, T. Eagle

Dispersal of American Black Ducks Produced in the Chesapeake Bay

J. M. Morton, T. Eagle

Vegetation Characteristics of Parturition Sites in White-tailed Deer

J. Doughty, J. L. Bowman

Microhabitat Use of Eastern Box Turtles in a Fragmented Landscape

A. E. Porter, J. L. Bowman

**Home Range of the Eastern Box Turtle
in a Fragmented Landscape**

I. L. Lajoie, J. L. Bowman

**Effects of Fragmentation on Microhabitat
Use of the Eastern Box Turtle**

S. L. Bussells, J. L. Bowman

**The Florida Black Bear Festival: Using Partnerships to
Provide Conservation Education and Economic Benefit
to a Forest Community**

C. M. Sekerak, C. R. Small, J. Thorsen

**North Carolina's Cooperative Upland Habitat
Restoration and Enhancement Program**

T. Sharpe, K. Pipkin

A New Fence Design for Deer Damage Control

N. Black, E. Pelren, A. Peterson

**The Bobwhite Quail Initiative: Restoring Georgia's State
Gamebird While Improving the Environment**

C. Baumann, B. Bone, J. Bornhoeft, J. Carroll, A. Hammond,
R. Hamrick, W. Lane, B. Marchinton, R. Thackston
