

Poster Session

Status of the Blacknose Shiner, *Notropis heterolepis*, in Western Missouri

D. Martin, J. Persinger, and D. Noltie

Annual and Seasonal Trends in Blackside Dace, *Phoxinus cumberlandensis*, Catch Rates with Implications for Species Monitoring

H. T. Mattingly, D. E. Stephens, J. E. Detar, and C. F. Walton

Status of Stocks of American Shad in Virginia Rivers

J. E. Olney

Effects of Sediment from Highway Construction on a Missouri-Ozark Stream

C. F. Rabeni and Z. L. Ford

New Records of the Crystal Darter, *Crystallaria asprella*, in the Middle Mississippi River

J. G. Stewart, V. A. Barko, D. P. Herzog, D. B. Henry, J. W. Ridings, A. F. Kelley, and J. E. Wallace

Smith River Tailwater: Opportunities for Enhancement of Habitat for Native and Introduce Fishes

M. R. Anderson, G. M. Buhyoff, P. Diplas, C. A. Dolloff, A. K. Hunter, C. W. Krause, T. J. Newcomb, D. C. Novinger, Y. Shen, and D. J. Orth

Missouri Mussel Program

D. Cornelius

Evaluation of Potential Environmental Factors Influencing Blue Catfish Abundance and Growth at Early Life Stages

C. Bergthold and W. Doyle

A Unit for Collection of Dissolved Oxygen and Water Column Temperature at Multiple Depths

P. R. Person and B. W. Green

Missouri River Public Use Assessment: The 2004 Lewis and Clark Expedition

S. L. Sheriff and R. Renken

The Missouri Department of Conservation and the Missouri River

B. D. Canaday

Factors Affecting Herpetofaunal Species Assemblages of Northeastern Missouri Riparian Forests

A. G. Elliott and B. G. Root

Intestinal Flora of American Alligators in Louisiana

B. Joubert, C. Atkins, and S. W. Gabrey

Intestinal Parasites of American Alligators in Louisiana

K. Franklin and S. Gabrey

Movements of Eastern Brown Pelicans Outfitted with Satellite Transmitters at Breton National Wildlife Refuge, Louisiana

J. O. Harris

Missouri Master Naturalists: Leading Through Community-based Natural Resources Volunteerism

C. Buenger, C. Nilon, R. A. Pierce II, and G. Wallace

Equestrian Trails on MDC and Other Public Lands

H. Scroggins and T. Treiman

Community Deer Task Force Use of Deer-vehicle Collision Mapping as Indicator of Suburban Deer “Hot Spots”

E. Shank

Herbaceous Buffers and Corn and Soybean Yields in Missouri

W. T. Stamps, N. M. Gruenhagen, M. Linit, and T. V. Dailey

Attitudes and Knowledge of Landowners Regarding Wildlife Components of the CRP in Northeast Missouri

T. V. Dailey, R. A. Reitz, T. B. Treiman, and H. J. Scroggins

Reproductive Patterns and Macrohabitat Utilization by Larval Sturgeons in the Middle Mississippi River

R. Hrabik, D. Herzog, D. Ostendorf, J. Ridings, J. Crites,
C. Beachman, R. Brooks, T. Spier, R. Columbo, and J. Garvey

Wildlife Response to Herbaceous Riparian Filter Strips in Northeast Missouri

D. T. Farrand, M. R. Ryan, and R. A. Pierce II

Survival of Pen-reared Bobwhites: Potential Consequences to the Genetic Integrity of Resident Wild Populations

K. A. Evans, M. D. Smith, R. J. Chambers, L. W. Burger, Jr., and
A. E. Houston

Large-scale Northern Bobwhite Habitat Models for Planning and Prioritization of Habitat Restoration in Three Bird Conservation Regions

R. G. Hamrick and L. W. Burger, Jr.

Information and Marketing Efforts of the Northwest Missouri Quail Initiative

J. Powelson, K. Reno, and B. White

USDA-NRCS/MSU Northern Bobwhite Habitat Restoration Project

M. D. Smith and L. W. Burger, Jr.

Using CCRP to Restore Bobwhite Quail

N. Prough and B. White

Economically Feasible Landscape Management Techniques to Increase Bobwhite Quail Abundance in Illinois

B. A. Cole, D. W. Sparling, C. K. Nielsen, and J. L. Roseberry
