

**SOUTHEASTERN ASSOCIATION OF FISH AND WILDLIFE AGENCIES  
HUNTING, FISHING AND WILDLIFE RECREATION PARTICIPATION COMMITTEE  
(est. 2010)**

**OPERATIONAL GUIDELINES  
(revised January 2017)**

**BACKGROUND**

The Directors of the Southeastern Association of Fish and Wildlife Agencies (SEAFWA) took action during their 2010 spring meeting in Lexington, Kentucky to modify the SEAFWA committee structure. This modification set the stage for development of a Technical Committee entitled Hunting, Fishing and Wildlife Recreation Participation (HFWRP) Committee. The SEAFWA Directors scheduled a meeting at the SEAFWA 2010 Conference in Biloxi, Mississippi designed to allow staff the opportunity to develop the Committee's charge and begin establishing the process by which it would function. The purpose of this Committee is to provide leadership and support that will facilitate the implementation of advancements in hunting, fishing, and wildlife-recreation participation throughout the SEAFWA member states. In an effort to effectively implement this new charge and committee structure, the following Operational Guidelines for the HFWRP Committee have been established and revised in conformity with guidance provided by the directors through the "Committee Structure and Guidelines" document.

**MISSION**

The HFWRP Committee was established to further SEAFWA's interest in promoting participation in the lifelong pursuits of hunting, fishing, recreational shooting and other wildlife-associated outdoor recreational activities by: serving as a clearing house for information regarding recruitment and retention efforts undertaken by member states; evaluating the effectiveness of these recruitment and retention efforts; providing recommendations to SEAFWA member states for directing agency resources toward applied research, programs and practices that serve to accomplish successful recruitment and retention efforts; providing opportunities for Committee members to collaborate and exchange information on matters relating to recruitment and retention within the SEAFWA region.

**CHARGES**

1. Inventory and assess state and national strategies for recruitment and retention of hunters, anglers, recreational shooters and other wildlife-related recreation participants.
- 2) Develop additional strategies for recruitment and retention of hunters, anglers, recreational shooters and other wildlife-related recreation participants.
- 3) Identify effective approaches for implementing these recruitment and retention strategies.

- 4) Recommend necessary actions designed to track and enhance the effectiveness of these recruitment and retention strategies.
- 5) Provide counsel to the SEAFWA Directors on recruitment and retention issues and accomplish other tasks as assigned by the Directors.
- 6) Provide an opportunity to exchange ideas, methods and approaches designed to effectively address recruitment and retention challenges and opportunities within the SEAFWA region.
